

## 完形填空

1-5: BDABA;           6-10: ADCBC;  
11-15: CCABD        16-20: CADCD

## 阅读理解

Text1: B A C C B  
Text2: D B A B C  
Text3: B D C A C  
Text4: D B B C C

## 新题型

D A F E B

## 翻译

长期以来西方人一直怀疑由草药制成的中成药是否有效。在过去的几年内，中国传统医药在世界范围内经历了严格的科学审查。

为证明和提高传统治疗方法的效益，中国大陆投入了巨资在这方面进行艰苦研究。香港一直在努力使自己成为世界上传统中医研究的带头人。台湾也提出它将把自己建成一个中医技术中心。传统中医药的研究工作在亚洲以外地区的大学和其他机构也蓬勃开展。这些揭开传统医学秘密的研究工作可能会为中西医都大感头疼的疾病患者带来福音。

尽管在理论上中西医之间还存在着分歧，一些对中西药感兴趣的著名国家制药公司已开始在中国实施小规模的研究项目。一批新药已在亚洲各地接受试验。

## Part IV Writing

## Section A

Dear Sir or Madam,

It is with great pleasure that I recommend to you Li Ming ,an outstanding graduate majoring in Business Administration.

I have been in charge of Mr. Li's class since they were freshmen, so I know him well. He is courteous, sincere and hardworking. He took several courses in computer science, which strengthened his administration ability. And also his excellent communication ability and good command of English add a lot to his managerial skills.

I believe Mr. Li's education and character undoubtedly qualify him to serve as an administrator in your company. I recommend him without reservation and believe you will find him a helpful; and responsible staff member.

Sincerely yours

Li Ming

## Section B

As can be seen from the cartoon, different ideas may come from the same thing. In the picture, while trying to catch the upcoming soccer, the goal-keeper says to himself why it is so big. And, the striker simply thinks in a different way, that is why it is so small?!

What makes such a big contrary on the same tournament at the same moment? It is no doubt that they are facing the very same goal and experiencing the very same moment.. However, the subjective views result in different impression on the same object. Many of us may still remember the story of a pony crossing the river, which we learned from the textbook in primary school. The squirrel tells him, the river is deep; and the cow tells him, the river is not deep at all. However, in the end, he tells himself a third answer. Therefore, it is not exaggerating to say that most of us are looking into the world with personal ideas. Subjective mental status may result in a really big difference in personal views, just like the goal-keeper and the striker in the drawing.

A possible solution might be to face any situation as possible. If we realize this in an objective way, it would be good for us to deal with what we encounter in life, especially when we are in setbacks or facing difficulties.
